

**BUILD GREEN  
BUILD PROFIT**

Conserve, Enhance, Improve

# **COLLEGE OF THE ALBEMARLE AND UNC COASTAL STUDIES INSTITUTE PRESENT**

## **ALBEMARLE GREEN BUILDING SEMINAR AND EXPO**

**SPONSORED BY THE OUTER BANKS HOME BUILDERS ASSOCIATION**

**February 28, 2008**

**College of The Albemarle, Roanoke Island Campus  
205 Highway 64 South, Manteo, North Carolina**

You are invited to attend the **FIRST** Albemarle Green Building Seminar and Expo.

Seminars will feature prominent guest speakers addressing green building issues in addition to providing participants with the knowledge, resources and motivation to incorporate green building in Northeast North Carolina. The expo will provide the opportunity to meet with regional suppliers, distributors and manufacturers of environmentally sustainable products and practices.

Your participation and feedback will assist College of The Albemarle in developing future green building training sessions for construction related fields in both the private and public sector including local planning boards.
