

## **Building green seminar planned at COA - Dare**

The first Albemarle Green Building Seminar and trade show will be held Monday, February 28.

Presented by College of the Albemarle and UNC Coastal Studies Institute, the seminar and expo is sponsored by the Outer Banks Homebuilders Association and Outer Banks Chamber of Commerce.

The seminar and trade show is set for the Roanoke Island Campus of College of the Albemarle, 205 Highway 64 South, Manteo.

The trade show opens at 9 a.m. and closes at 5 p.m. The green building expo will provide the opportunity to meet with regional suppliers, distributors and manufacturers of environmentally sustainable products and practices.

The seminar kicks off at 9:30 a.m. Keynote speaker is Lee Norris from Cherokee Partners.

From 11 a.m. to 2:15 p.m., seminar topics including healthy homes and indoor air quality, water efficiency, conservation and stormwater management, energy efficiency and site sustainability.

Pre-registration is \$15 and includes lunch. Registration at the door is the same price but does not include lunch. Students with valid identification will not be charged a registration fee. Registration deadline is Feb. 22.

For a registration form, contact College of the Albemarle at 475-9250.
